# ARE YOU INVISIBLE?

... find out with the first in a series of **REALLY SENSIBLE QUIZZES!**

**\*\*SPECIAL BONUS!!**  
If you answer 'C'  
to every question,  
you win £1,000,000!!

1. As a general rule, do you find that people can -
- a) See you
  - b) Not see you
  - c) Walk right through you?

3. Would you describe your appearance as -
- a) Either good-looking or not good-looking
  - b) Invisible
  - c) None of the above?

2. When you stand in front of a mirror, do you -
- a) See yourself
  - b) See nothing where you should be
  - c) Not see nothing - er, anything?

4. If you were to wear a false beard, would it -
- a) Make your face less visible
  - b) Seem to float about in mid-air attached to nothing
  - c) Fall to the floor?

## CHECK YOUR VISIBILITY RATING HERE:

**A's:** You are visible. You are also stupid, however, if you have to do a quiz to find that out.

**B's:** You may well be invisible. It's more likely, though, that you are a silly little fibber who thinks it's funny to give daft answers to **REALLY SENSIBLE** quizzes.

**C's:** The good news is that you are not invisible. The bad news is that the reason you're not invisible is because you don't exist. The good news is that people who don't exist don't have to go to school or pay taxes. The bad news is that people who don't exist do not, sadly, qualify for the £1,000,000 prize mentioned above.

# 100 ace show-biz moments... no 2... part 3!

remember in the last 2 issues i went to London on a train... well.... i got loads of letters from readers asking me "what happened to your watch that you lost in part 1"?... so as i forgot to tell you i've had to do this part 3.

so as i was saying... i lost my watch in part 1 of the 2 part 100 brilliant moments from show-biz... and it looked like i was going to miss the train that i got in part 2... but as you will now know... i did get it in part 2... so the part 1 "cliff-hanger" was not very good... (but it was little frank's idea, anyway).

well, to cut a medium story short... they have a big clock at piccadilly station... just in case you lose your watch... so in all the excitement of me being on the train in part 2... i forgot to say what happened to my watch.... so here goes....

i don't have a watch... as this picture shows → so... with that out of the way... let's continue with →

## frank of the big-shorts.

the start of a fantastic 2 part football story... told in 3 exciting parts.

a story of  
goals  
thrills  
guts  
spills  
and  
shorts

hello readers... i'm just reading the match report on me and my "timperley bigshorts" six-a-side team. there's lanky mike (my manager) in goal... emmo and my milkie in defence... and kev my postie and mark to feed me the balls to knock in. unfortunately i had to leave the field with 8 minutes to go... as little frank was taunting me as it was 0-0. but roger who is our "super-sub" came on and scored 158 for us to go into the final next week... against "the baguley beasts".

today's results  
baguley beasts 3  
brooklands under 5s 2  
timperley bigshorts 158  
timperley puppets 0  
big-shorts scrape through  
baguley's centre forward destroyed the entire pitch in today's semi-final when he had a goal disallowed  
spencer claimed the goal in the 90th min... but the ref said it didn't count as the ball was not even in that 1/2 of the pitch.  
spencer just went off and... (cant back)

the cliff-hanger.

the only thing is that we were to use baguley's pitch for the final but due to an incident near the end of their match... we now need to find a new pitch. so with that fantastic, ace cliff-hanger... see you next week!

7. THERE WAS A MAN ON THE FLOOR AND HE LOOKS QUITE DEAD.  
I PULLED ONE OF HIS EYES AND CHOPPED OFF HIS HEAD!  
IT ROLLED DOWN THE STREET FOR AN HOUR AND A HALF,  
AND WHEN I GOT HOME IT WAS ON THE PAVEMENT.

REPEAT CHARTS AND PADE.

# Haldane's INCREDIBLE AMAZING BIZARRE WORLD

## SPECIAL BIZARRE FISH ISSUE

### THE MIMIC FISH.

The Mimic Fish is a very strange creature. When threatened by its enemies it disguises itself as the Houses of Parliament.

### THE TACKLE FISH.

This fish lives in the rivers of Spain. It can breathe in the water or the air and has an amazing ability to play football. In 1967, a particularly skilled Tackle Fish was appointed reserve striker for Barcelona.

### THE BORING FISH.

This fish is so boring it is never invited to parties. If cornered, it talks for hours about stamp collecting.

### THE INVISIBLE FISH.

This fish supposedly looks like Elton John, but since nobody has ever seen it this is probably a load of rubbish. I think it looks like Shakin' Stevens.
